

Mira Rao

mira@example.com

EDUCATION

B.Tech in Computer Science, Meadow Institute of Technology.

August 2023 to May 2027, expected graduation.

SKILLS

React, TypeScript, JavaScript, HTML, CSS, Git, Vitest.

PROJECTS

Campus Room Booker — January 2026 to April 2026.

Mira built the room-availability view and booking-form screens using React and TypeScript.

Mira connected these screens to the team's existing REST endpoints for listing rooms and creating booking requests.

Mira authored 18 Vitest unit tests for the booking form's validation and error states.

Mira added visible keyboard focus states, associated input labels and accessible inline error text to the booking form.

Mira used Git branches and pull requests to submit her changes.
